

Ready For Success

We understand that there are some tough decisions ahead for you. Should you choose the university route ? Or is there a different option? If you've real drive and a can-do attitude, we think there is.

TESCO

| *Every little helps*

Tesco's Commercial Development Programme

This is the chance to kick start a successful career without having to go to university. You'll join our busy Commercial division where we'll develop you into becoming a Buying or Merchandising specialist. It's the chance to be a fully fledged member of the team earning a competitive salary and gaining first class on-the-job training. After two years, you'll become an Assistant Merchandiser or Assistant Buyer with a structured career path. From there, the sky's your only limit.

Buying or Merchandising?

You'll learn how, as the biggest retailer in the country, we keep our competitive edge within the marketplace always putting the customer at the heart of everything we do.

Trainee Buyer

As a Trainee Buyer, you'll learn to negotiate with suppliers around the world and decide what we buy and at what price.

Trainee Merchandiser

As a Trainee Merchandiser, you'll help us source the right products, manage budgets and ensure we have the right stock, in the right place at the right time.

What you need to succeed

- 240 UCAS points including grade C in Mathematics and English at GCSE
- A numerical and analytical mind
- Strong communication and negotiation skills
- Great commercial awareness
- Ability to manage and prioritise your workload whilst working in a fast-paced environment
- Ability to work in an office environment and intermediate computer skills
- A desire to drive your own career and the aspiration to be one of our leaders of the future
